Work Experience

Senior Animal Control Officer

City of Sacramento, Sacramento, CA | Oct 2023 - Present

- Compile, document, and preserve case evidence; prepare reports, affidavits, and case files for administrative or court proceedings.
- Testify in court and administrative hearings and serve as a subject-matter expert in animal welfare and enforcement matters.
- Plan, assign, and review subordinate work to support consistent enforcement and operational effectiveness.
- Develop and update department policies, standard operating procedures, and training materials.
- Collaborate with community groups, shelters, veterinarians, and partner agencies to promote compliance and humane outcomes.

Animal Control Officer II

City of Sacramento, Sacramento, CA | Feb 2020 - Oct 2023

- Investigated animal cruelty, nuisance, and dangerous animal reports while enforcing City and State laws.
- Assisted law enforcement and other agencies during emergencies, investigations, animal custody, and transport.
- Prepared animal control cases for court, issued citations, provided testimony, and maintained records.
- Educated the public on animal laws, licensing, responsible care, and public safety.
- Assisted with training other animal control officers.

Animal Care Technician

City of Sacramento, Sacramento, CA | Mar 2018 - Feb 2020

- Provided humane care, feeding, treatment, health inspections, and behavior monitoring for impounded animals.
- Supported behavior modification, enrichment programs, behavioral evaluations, and volunteer training.
- Maintained kennel sanitation and assisted with medical treatments and euthanasia procedures.

Assistant Manager

Grateful Dog Daycare, Sacramento, CA | Feb 2017 - Mar 2018

- Managed scheduling, staff training, customer concerns, inventory, kennel cleanliness, safety regulations, and OSHA compliance.

Animal Care Supervisor

Placer SPCA, Roseville, CA | Mar 2016 - Feb 2017

- Supervised animal care staff and volunteers; managed schedules, training, performance reviews, shelter resources, and safety compliance.

Earlier Animal Care Roles

Napa County Animal Shelter, City of Sacramento, Animal Den, UC Davis, Solano SPCA, Petco | 2006 - 2016

- Built broad experience in kennel management, animal care, medication administration, adoption and intake support, foster and rescue coordination, temperament testing, staff coaching, and customer service.

Featured Project Experience

- HOAP: Supported unhoused pet owners through veterinary resources, vaccinations, outreach, and coordinated community partnerships.
- Volunteer Kennel Enrichment Pilot Program: Structured repeatable enrichment scheduling, volunteer workflow organization, and outcome tracking concepts.
- QR Code Animal Behavior Tracking Concept: Proposed a digital workflow to improve documentation consistency, team communication, and behavior tracking efficiency.
